RE: Request for Comments on Verizon Letter and Public Notice

DATE: March 15, 2002

---

On March 7, 2002, Verizon filed with the Department in docket D.T.E. 98-57-Phase III, a letter and public notice announcing the introduction during the second half of 2002, of a trial for a wholesale end-to-end packet data service to provide DSL services at the remote terminal. The Department requests that parties to D.T.E. 98-57-Phase III submit comments to the Department on the effect Verizon's filing has on the issues under review in this proceeding, specifically whether the record should be supplemented.

Written comments must be received by the Department by the close of business on Friday, April 5, 2002. If you have any questions, please contact Jesse Reyes at (617) 305-3735.
